PROFESSIONAL PORTFOLIO

Rhea Cruz

Credit Repair Specialist

6+ years of experience in credit repair dispute processing

I support organized, client-centered dispute workflows, helping cases move from onboarding through documentation, submission, and follow-up. My work combines process discipline with careful case management.

6+ YEARS	in credit repair dispute processing Workflow support from onboarding through case follow-up

A practical, documented approach

01

Onboard & organize

Support onboarding, review file details, and organize the information needed for dispute processing.

02

Prepare & submit

Coordinate secondary bureau freezes, FTC reports, bureau disputes, and CFPB complaint workflows as appropriate.

03

Track & follow through

Maintain case records, monitor next steps, and support timely follow-up across the dispute process.

EXPERIENCE & CAPABILITIES

Credit file issues and workflow support

Experience processing disputes involving a range of credit report items, with attention to documentation and consistent case handling.

ISSUE AREAS	DISPUTE WORKFLOWS
Bankruptcies	Metro 2-informed dispute workflows
Child support	FCRA-based dispute workflows
Late payments	FDCPA-based dispute workflows
Collections	Bureau dispute processing
Charge-offs	CFPB complaint workflow support
Inquiries	FTC report preparation support
Online bureau disputes	Equifax · Experian · TransUnion online portals

Tools across the client journey

Dispute & case platforms

DisputeFox · Credit Repair Cloud · Client Dispute Manager · Dispute Bee · Dispute Panda · LetterStream · Postalocity · Experian Upload

Client communication & operations

GoHighLevel · ManyChat · Calendly · SuiteDash

Credit monitoring

SmartCredit · IdentityIQ · MyFreeScore

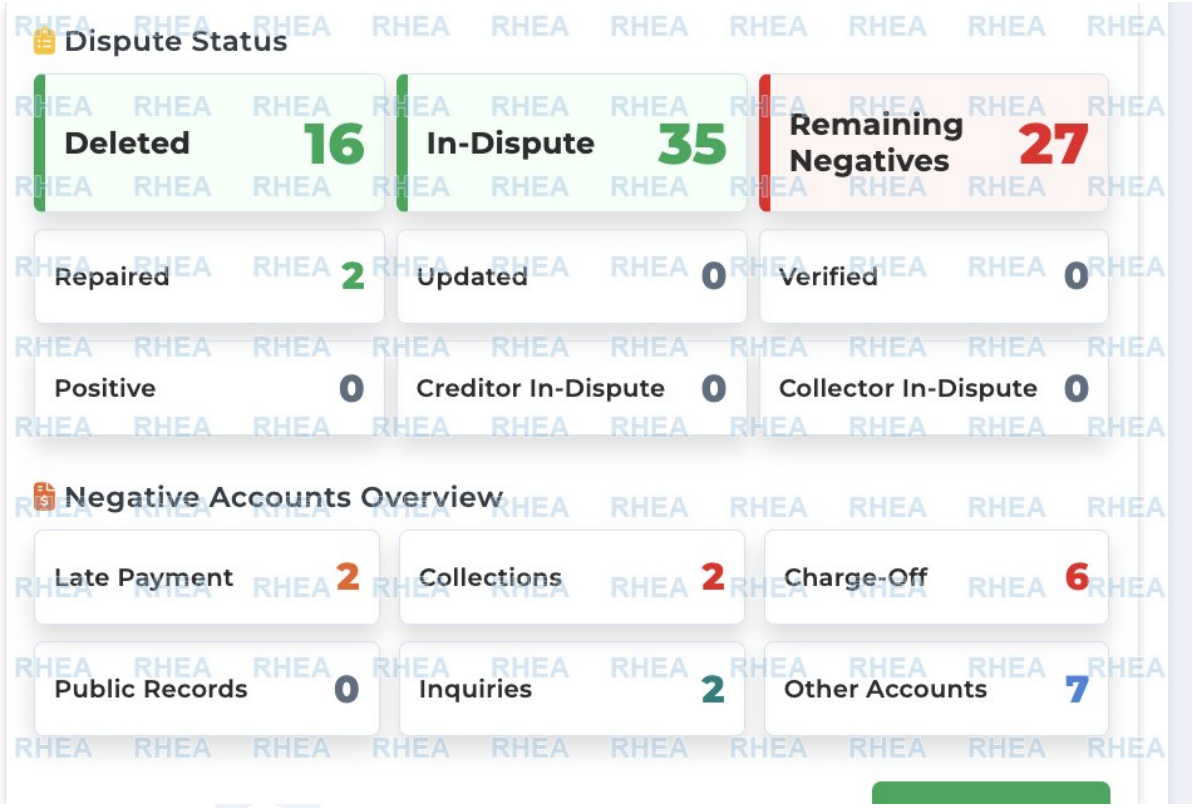

Workflow references describe process experience and do not imply legal advice or a guaranteed outcome.

EVIDENCE & RESULTS

Results gallery

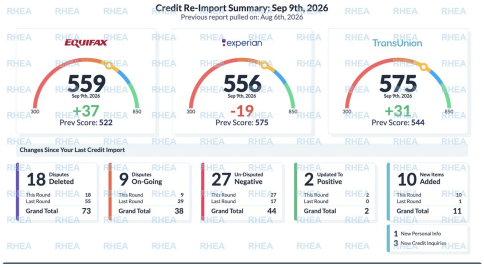

61 score/report views, 16 full result-summary captures, and 2 aggregate dispute-status dashboards. Full captures retain the visible Deleted, On-Going, Un-Disputed Negative, Updated to Positive, and New Items Added sections where shown. Score changes do not establish that a particular dispute caused movement. Scores vary by model and file activity.
